

## **FORM FOUR STUDENTS 2019**

To all students in form four, we would like to inform you about some conditions you have to adhere to immediately you have finished KCSE.

1. You are expected to open your own e-mail account after finishing your exams and to write by mail to CHaCHaCHi ([info@chachachi.org](mailto:info@chachachi.org)) how you finished the term and the exams and what you are doing now. We will send you our conditions for any further support by mail.
2. Immediately the results are out, ensure that you send to us a copy of the KCSE result slip or if still not ready at least your grade. As soon you get the KCSE certificate you have to send us a copy and also your national ID (both scanned in good quality).
3. Apply for your national ID as soon as you get 18 years. Otherwise you will not be allowed to apply for HELB loans.

Kindly read the letter carefully and ensure that you do what is required.
